

AERIAL PHOTOGRAPHS

Aerial photograph of Central London.

Map of Central London.

In this activity, we are going to learn how to read aerial photographs and identify features on them using a map of the same area.

- 1 List features that you can see in the aerial photograph.
- 2 List features that you cannot see in the aerial photograph.
- 3 This is a large building. What is it called?

- 4 Suggest an activity that you can do in this building?

- 5 What is the name of the road marked on the map?

- 6 What are the objects marked here?

- 7 What is this long red object?

- 8 What is the name of the road marked on the map?
