

NARROGIN SENIOR HIGH SCHOOL
Department of Crime Investigation

Case Number: Date of report submission:

Investigating Detective:

Investigating Office:

Chief Forensic Officer in Charge:

Discovery of the Deceased

Date of Discovery:

Discovers:

Weather Conditions:

Summarise how the body was found by the discovers, and what it was they thought they had found.

.....

.....

.....

.....

How did the discovers think the person had died?

.....

.....

.....

Describe what happened when the Austrian police arrived at the scene, and the consequences of their use of the jackhammer.

.....

.....

.....

.....

.....

Describe what happened when hikers and official police arrived at the scene, the consequences of their actions, and what other items they discovered with the body.

.....

.....

.....

.....

.....

What environmental factors caused the body to be exposed and consequently found?

.....

.....

.....

.....

What happened to the body when it was placed in the morgue?

.....

.....

.....

.....

How did Dr Spindler treat the body? What conclusions did he draw after examining the axe found with the body?

.....

.....

.....

.....

.....

.....

.....

Make notes on any other factors of the discovery that you think are important or interesting.

.....

.....

.....

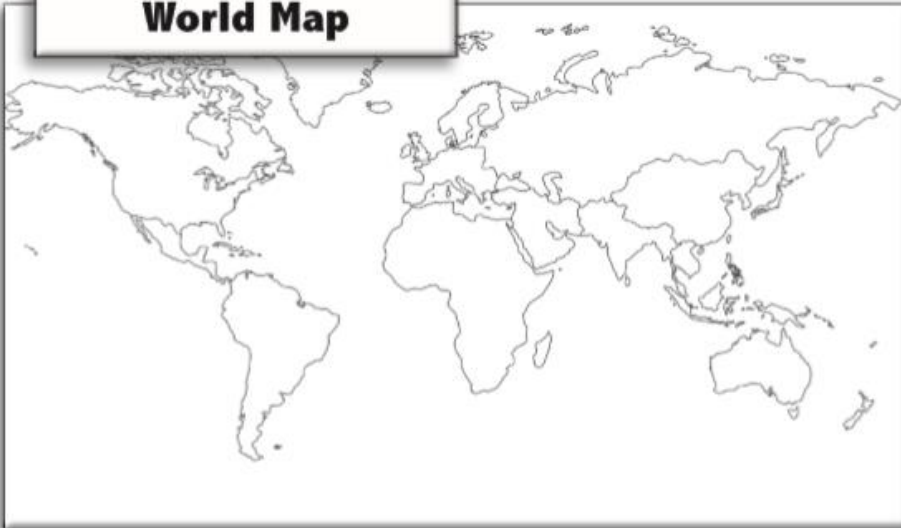

.....

.....

World Map

Location of Ötzi

Western Europe

Complete the following steps:

1. Draw the map border of “Western Europe” on the “World Map”.
2. Draw in the map border of “Location of Ötzi” on the “Western Europe map”.
3. On the “Location of Ötzi” map, label Austria, Italy, Switzerland, Germany and France.
4. Colour each of the countries labelled in step 3 a different colour.
5. Place a dot on the discovered location of Ötzi’s body.
6. Ötzi was located on the borders of the following 3 countries.
 1.
 2.
 3.

Personal Profile

Personal Details

Gender

Age at time of Death

Date of Death

Height

Hair Colour

Physical Condition.....

Deceased is also known as 1.

2.

Marking on the body

.....
.....
.....

Where is it likely that the deceased person lived?

.....
.....

What scientific evidence supports the theory of where the deceased person lived?

.....
.....

Diet Details

How was the diet of the deceased determined?

.....
.....

Modern Diet	Ötzi's Diet

Proposed Causes of Death

Outline each theory and how the evidence and/or science supports the theory.

Theory 1 (tick a box)

☐

Highly likely

☐

Most likely

☐

Likely

☐

Possible

[illegible]

Theory 2 (tick a box)

☐

Highly likely

☐

Most likely

□

Likely

☐

Possible

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. A large, light gray watermark with the word "COPY" is oriented diagonally from the top-left towards the bottom-right, spanning most of the page's width and height.

Theory 3 (tick a box) ☐ Highly likely ☐ Most likely ☐ Likely ☐ Possible
