- Work in groups of 4, each person with a different question to answer.
- You will have 2 minutes to answer the first question and then rotate the page, so you have another question in front of you.
- Repeat this process until each person has had the opportunity to answer each question. Listen to your teacher before rotating. Be prepared to share your answers.

Question 1: What online platforms exist?

Question 2: Why do young people go online?

Question 3: Why do you think online platforms have age restrictions?

Question 4: What are the potential consequences of going online?
