thank you for your purchase!

I hope you and your students enjoy these angle review task cards. They are fully aligned to Common Core Standards and are perfect for reviewing essential angle skills. Simply print (black and white or color) and laminate, and you can use them in a variety of different ways!

If you have any questions, please feel free to contact me at teachingwithamountainview@gmail.com.

If you have trouble printing, see a small error, or have any questions, I encourage you to email me or use the "Ask Question" feature before leaving negative feedback.

Come take a look at my store and FOLLOW ME for more freebies and Common Core Resources!
