### Guiding Questions

Write a paragraph of at least 5 sentences about what happened in class and what you learned. Below are some questions you may want to answer:

- What did you learn?
- What did you find interesting?
- What questions do you have about what you learned?
- What were the main ideas?
- What did you understand best?
- How will you find more information?
- How does the current information relate to what you have already learned in class?
- How might it relate to what we will be doing in the future?
