

Australia's engagement with Asia:

Indonesia

Case studies in water, food, urbanisation
and human wellbeing DVD

Urbanisation and megacities: Jakarta

- I. Before viewing: The class is about to go and visit Jakarta, the capital of Indonesia. List what you expect to see in Jakarta and any questions you have about the place.

What do you expect to see in Jakarta?	Questions about Jakarta

2. Watch the DVD **without audio** and complete the table below:

Observations	Questions
What did you see? What did the images tell you about Jakarta?	What questions do you have about the place? What would you like to know about the place?

3. Discussion questions:

Was there anything about Jakarta that surprised you? Anything you did not expect to see?

How is Jakarta similar and different to a large Australian city?

How has Jakarta been represented by this DVD? In what ways might it be misleading?

How could you find out more about what Jakarta is like?

Australia's engagement with Asia:

Indonesia

Case studies in water, food, urbanisation
and human wellbeing DVD

Urbanisation and megacities: Jakarta

- Watch the DVD chapter **with audio** and complete the table below:

Observations	Questions
What did you learn about the place with audio?	What questions do you continue to have? What new questions did this DVD chapter raise?

- Discussion questions:

Why do so many people want to live in megacities like Jakarta?

What are the advantages and the disadvantages of living in a megacity like Jakarta?

What aid and development strategies are being used to improve human wellbeing for the poor in Jakarta?
