TERMS OF USE:

In purchasing this product you agree to abide by the terms of use that govern this product. Using this product in a means that is outside the terms of use stated below can/will result in legal action.

YOU ARE ALLOWED TO:

- print as many copies as needed for **your** classroom and for the students under **your** immediate instruction.

- use in conjunction within a secure and closed online environment, such as Google Classroom or Schoology. This means only people in your online "classroom" will have access to the material.

YOU ARE NOT ALLOWED TO:

- **provide copies of these materials to other teachers without purchasing additional licenses. Why?**

  - **A:** Your purchase covers your use; additional licenses are needed to cover the use of other teachers. These are available at a 10% discount and can be purchased from the "My Purchases" tab. **Sharing this product without purchasing additional licenses is stealing.**

- **post this resource on any class/personal website or blog. Why?**

  - **A:** Google will find whatever you post on your site and make it available to anyone for free access via their search engine. I understand the need to share work with students, however sharing needs to be done legally and responsibly. This is why sharing must be done in a secure online environment (see above).

- **edit, redistribute, sell, or post this resource as your own. You are forbidden from posting this product for commercial resale or into any "free" teacher-sharing network, such as Amazon Inspire, Teachers Pay Teachers, etc. Uploading any part of this resource into any online marketplace or "sharing" network constitutes theft and you and/or your school district will be held liable. Why?**

  - **A:** It's simple - you do not own the copyright. I do. By editing this resource or uploading this into any online marketplace, not only have you misrepresented yourself as the copyright holder but you have freely shared my paid product with thousands, if not millions, of teachers. **This is theft, and posting any product to Amazon Inspire (or like networks) is strictly forbidden.**

I am...

- an individual, not a big-box textbook company, who strives to create authentic, hands-on, and engaging Social Studies resources.

- very responsive and committed to Customer Service. I respond within a few hours (sometimes within a few minutes) to most email requests. I can be reached at HistoryWithMrE@gmail.com.

- committed to making on-going updates to all of my products and frequently take personal requests.

- excited that you want to support an individual, not a big-box company. Your purchase helps support a family with two little children, and an educator who spends countless hours researching the best ways to reach kids and make content engaging.

- a hard-working person. Please follow the terms of use to ensure that I am fairly compensated for my work. If you have any questions regarding the terms of use, please contact me at HistoryWithMrE@gmail.com.
