

APPLIED INFORMATION TECHNOLOGY

Stage 3

Sample Examination 2009

Grid of Content

Section One: Multiple Choice

Question	Mark Allocation	Unit Content				Stage		Syllabus References	
		Social Implications and Trends	Hardware and Software	Digital Data and Information	Workplace Practices and Careers	3A	3B		Page
Section One: Multiple Choice									
1	1			✓			✓	Stage 3B – Digital Data and Information – Processing and managing data – pt 1 sub pt 3	32
2	1			✓		✓		Stage 3A – Digital Data and Information – The nature, forms and transfer of digital data – pt 1	29
3	1			✓		✓		Stage 3A – Digital Data and Information – The nature, forms and transfer of digital data – pt 3	29
4	1				✓	✓		Stage 3A – Workplaces, Practices and Careers–Work environments and legislation – pt 1 sub pt 1	29
5	1		✓			✓		Stage 3A – Hardware and Software – Applications and systems software – pt 1 sub pt 3	28
6	1			✓		✓		Stage 3A – Digital Data and Information – Design and acquisition of hardware and software – pt 1	29
7	1			✓		✓		Stage 3A – Digital Data and Information – Processing and managing data – pt 1 sub pt 4	29
8	1			✓			✓	Stage 3B – Digital Data and Information – Processing and managing data – pt 2 sub pt 2	32
9	1			✓		✓		Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 sub pt 2	29
10	1		✓				✓	Stage 3B – Hardware and Software – Hardware components and functions – pt 1 sub pt 3	31
11	1			✓		✓		Stage 3A – Digital Data and Information – Processing and managing data – pt 1 sub pt 3	29
12	1		✓				✓	Stage 3B – Hardware and Software – Hardware components and functions – pt 1	31
13	1				✓		✓	Stage 3B – Workplace practices and careers – Careers work and jobs– pt 1	32
14	1			✓			✓	Stage 3B – Digital Data and Information – Processing and managing data – pt 2 sub pt 2	32
15	1	✓				✓		Stage 3A – Social Implications and Trends – Values, ethics and inclusivity – pt 2	28
16	1			✓		✓		Stage 3A – Digital Data and Information – Hardware components and functions – pt 3	28
17	1				✓	✓		Stage 3A – Workplace practices and careers – Work environments and legislation– pt 1 sub pt 3	29
18	1		✓				✓	Stage 3B – Hardware and Software – Hardware components and functions – pt 3	31
19	1	✓					✓	Stage 3B – Social Implications and Trends – Values, ethics and inclusivity – pt 3 sub pt 1	31
20	1			✓			✓	Stage 3B – Digital Data and Information – The nature forms and transfer of digital data – pt 1 sub pt 2	32
Marks	20	2	4	11	3	11	9		

Section Two: Short Answer

Question	Mark Allocation	Unit Content				Stage		Syllabus References	
		Social Implications and Trends	Hardware and Software	Digital Data and Information	Workplace Practices and Careers	3A	3B		Page
Section Two: Short Answer									
1	2	✓				✓		Stage 3A – Social Implications and Trends – The impact of ICT on individuals, communities and environments – pt 1	28
2	5		✓			✓		Stage 3A – Hardware and Software – Hardware components and functions – pt 1	28
3a	1				✓	✓		Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 2	29
3b	3				✓	✓		Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 2	29
3c	4				✓	✓		Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 2	29
4	5	✓					✓	Stage 3B – Social Implications and trends – The impact of ICT on individuals, communities and the environment – pt 1	31
5	4		✓				✓	Stage 3B – Hardware and Software – Design and acquisition of hardware and software – pt 3	31
6a	4				✓		✓	Stage 3B – Workplace, practices and careers – Careers, work and jobs – pt 2	32
6b	2				✓		✓	Stage 3B – Workplace, practices and careers – Careers, work and jobs – pt 2	32
Marks	30	7	9		14	15	15		

Section Three: Extended Answer

Question	Mark Allocation	Unit Content				Stage		Syllabus References	
		Social Implications and Trends	Hardware and Software	Digital Data and Information	Workplace Practices and Careers	3A	3B		Page
Section Two: Extended Answer									
1a	10		✓				✓	Stage 3B – Hardware and Software – Hardware components and functions – pts 1, 2	31
1b	5		✓				✓	Stage 3B – Hardware and Software – Hardware components and functions – pt 2	31
1c	5	✓				✓		Stage 3A – Social Implications and Trends – Values, ethics and inclusivity – pt 1	28
1d	5			✓		✓		Stage 3A – Digital Data and Information – Processing and managing data – pt 1 sub pt 4	29
2a	5	✓				✓		Stage 3A – Social Implications and Trends – Values, ethics and inclusivity – pt 5	28
2b	5	✓					✓	Stage 3B – Social Implications and trends – The impact of ICT on individuals, communities and the environment – pt 2	31
2c	10				✓	✓		Stage 3A – Workplace practices and careers – Technology processes in the workplace– pt 1	29
2d	5				✓	✓		Stage 3A – Workplace practices and careers – Work environments and legislation pt1 sub – pt 3	29
Marks	50	15	15	5	15	30	20		

Section Four: Production

Question One	Mark Allocation	Unit Content				Stage		Syllabus References	
		Social Implications and Trends	Hardware and Software	Digital Data and Information	Workplace Practices and Careers	3A	3B		Page
Section Two: Extended Answer									
Part A i	20			✓		✓	✓	Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 – All	29
Part B i	5			✓	✓	✓	✓	Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 1	29
								Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 – All	29
								Stage 3B – Digital Data and Information – Creative application of information design principles – pt 1	32
ii	10			✓	✓	✓	✓	Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 1	29
								Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 – All	29
								Stage 3B – Digital Data and Information – Creative application of information design principles – pt 1	32
Part C i	15	✓		✓			✓	Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 – All	29
								Stage 3A – Social Implications and Trends – Values, ethics and inclusivity – pt 3	28
ii	10			✓	✓	✓	✓	Stage 3A – Social Implications and Trends – Past and emerging trends in ICT... – pt 1	28
								Stage 3B – Social Implications and Trends – Past and emerging trends in ICT... – pt 1	31
Part D	15			✓		✓	✓	Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1 sub pt 2 & 3	29
								Stage 3B– Digital Data and Information – Creative application of information design principles – pt 1	32
Part E i	10	✓				✓	✓	Stage 3A – Social Implications and Trends – Past and emerging trends in ICT... – pt 1	28
								Stage 3B – Social Implications and Trends – Past and emerging trends in ICT... – pt 1	31
ii	10			✓	✓	✓	✓	Stage 3A – Workplace, practices and careers – Technology processes in the workplace – pt 2	29
								Stage 3A – Digital Data and Information – Creative application of information design principles – pt 1	29
								Stage 3B – Digital Data and Information – Creative application of information design principles – pt 1	32
								Stage 3B – Workplace, practices and careers – Technology processes in the workplace – pt 2	32
iii	5	✓					✓	Stage 3B – Social Implications and Trends – Past and emerging trends in ICT... – pt 1	31
