

12 PHYSICS ASSESSMENT OUTLINE 2020

Assessment type	Assessment type weighting	Assessment task weighting	When	Assessment task
Science inquiry	20%	5%	Spring Term Week 5	Experiment - circular motion
		5%	Summer Term Week 7	Evaluation and analysis - gravitation
		5%	Winter Term Week 2	Experiment - line spectra
		5%	Winter Term Week 3	Investigation - blackbody radiation
Test	30%	5%	Spring Term Week 6	Projectile motion and circular motion
		5%	Summer Term Week 3	Gravitation and equilibrium
		5%	Summer Term Week 10	Electromagnetism
		5%	Autumn Term Week 8	Electromagnetic induction
		5%	Winter Term Week 3	Atomic Physics
		5%	Winter Term Week 9	Modern Physics
Examination	50%	22%	Autumn Term Week 3-4	Semester 1 Examination
		28%	Winter Term Week 10	Semester 2 Examination
Total	100%	100%
