

Simple Interest Task cards

Created by:

Lindsay Perro

Simple Interest Task Cards:

This set of task cards covers determining simple interest, using the formula $I = Prt$. Use for warm ups, exit tickets, homework, or stations!

Copy two per page and then front to back for 16 problems on one page.

If you want to print without the background, change your printer settings to print in "gray scale" instead of color.

#1

Find the ending balance:

\$45,000 at 3%
for 6 years
