Responsibility: "As a tenant, you have the responsibility to check that the property has working - smoke alarms."

Right: "If the property does not have working mains powered smoke alarms, you have the right to ask your landlord to install them."

- (d) How can you find out if the RCDs are working? (2 marks)

RCDs should be checked every three months to test them push test button. This should stop all power to the property. If power does not shut off notify landlord immediately

Part B: Writing

Question 3

(20 marks)

You have just moved into a house you are renting. When you are cooking fish and chips, the kitchen fills with smoke. You then remember that you should check the smoke alarms.

Using information from the fact sheet on pages 3 and 4, write a letter to your landlord explaining the problem(s) you find when you check the smoke alarms.

Remember to:

- plan your letter before you start
- organise your ideas into paragraphs
- state clearly the problem
- explain why you are worried
- say what needs to be done to fix the problem
- explain why it is important to have working smoke alarms
- suggest when you expect a response from the landlord
- leave time when you finish to check your spelling, punctuation and grammar.

The house you are renting is at

- 2 Smith Street, Summertown, WA, 6005.
- The landlord is Mr Max Tate of Tate Real Estate, Perth, WA, 6000.

Dear MR Max Tate,

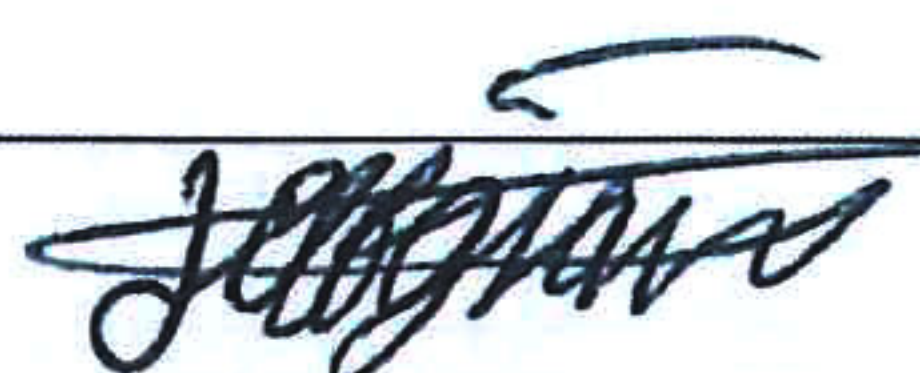

Hi, I'm Jeff I have just moved into one of your rental property's. The Address is two Smith Street, Summertown, WA, 6005.

I have had a problem with the smoke alarms when I was making fish and chips, The kitchen filled up with smoke and none of the alarms went off.

I am worried about these smoke alarms because what happens if next time it an actual fire what threatens my life and other houses and lives around me.

I am requesting to have mains powered ^{As} smoke alarms put in As Soon As Possible ~~because~~ In the ~~TENANCY WA~~ "TENANCY WA" Agreement under smoke alarms says: "The property you are renting must have smoke alarms that are working. Smoke alarms must be mains powered, not battery powered."

Thankyou MR Tate and I will be
awaiting a reply ASAP because it is
a major issue.
