

Dance
WACE written examination—2009 design brief
Stage 2

The Dance examination comprises a written examination worth 50% of the total examination score and a practical examination worth 50% of the total examination score.

Time allowed

Reading time before commencing work: ten minutes

Working time for paper: two hours and thirty minutes

Permissible items

Standard items: pens, pencils, eraser, correction fluid, ruler, highlighter

Special items: nil

Additional information

A combined question/answer booklet will be used. In addition, a source booklet containing stills from the stimulus material sent to schools will be made available in the examination. There is no requirement to print these in colour.

Section	Supporting information
Section One Short answer 35% of written exam 1–4 questions Suggested working time: 50 minutes	Candidates respond to a previewed dance performance from a DVD/video and supporting accompanying materials sent to schools in Term 3. These materials may include photographs, posters, program notes, reviews, choreographer's notes, designs for lighting, sound, costume, make-up, sets and staging, marketing materials, budget and resource information. Candidates answer all questions. Questions in this section are scaffolded and focus on the previewed stimulus materials. Candidates may support their answers with notes, dot points, diagrams, designs, tables and charts.
Section Two Extended answer 65% of written exam Two questions from a choice of three Suggested working time: 100 minutes	This section of the paper contains three questions. Candidates are required to answer one compulsory question and are asked to choose one question from two questions provided. These questions enable answers that draw upon school-based examples and practical work. Candidates may support their written answers with tables, diagrams, dot points, designs and production notes.
