

Pot Luck- A Crayfishing Simulation

AIM: To accumulate as many assets as you can in the form of boats, pots and money

RULES: Start with 2 boats and 10 pots and purchase new boats and pots as the game proceeds. You can choose to put pots in shore or out, depending on the weather you will make or lose pots

1, 2, 3 = good weather
4 = same as day before
5, 6 = bad weather

Buy Boats: \$100
Buy Pots: \$5
Sell Boats: \$80
Sell Pots: \$3

Maximum of 10
pots per boat

	Good	Bad
In	\$2	\$6
Out	\$4	Lose pot
