Escape Room EDU FAQ

My school's internet does not allow me to use shortened links.

Long Link:

<https://docs.google.com/forms/d/e/1FAIpQLSc8zh4LA989Ys7HkHMxPrbGMT0-OladViTAw2Dwm4KvLAlxow/viewform>

How can I see what they did based off the Google form?

Answer: You can't. Students must input the correct answer to move on. The completion code is used to know when they have completed it.

Are electronic devices needed to complete this activity?

Answer: No, this can be done without a device

Does this require Google Classroom?

Answer: No, just access to the internet

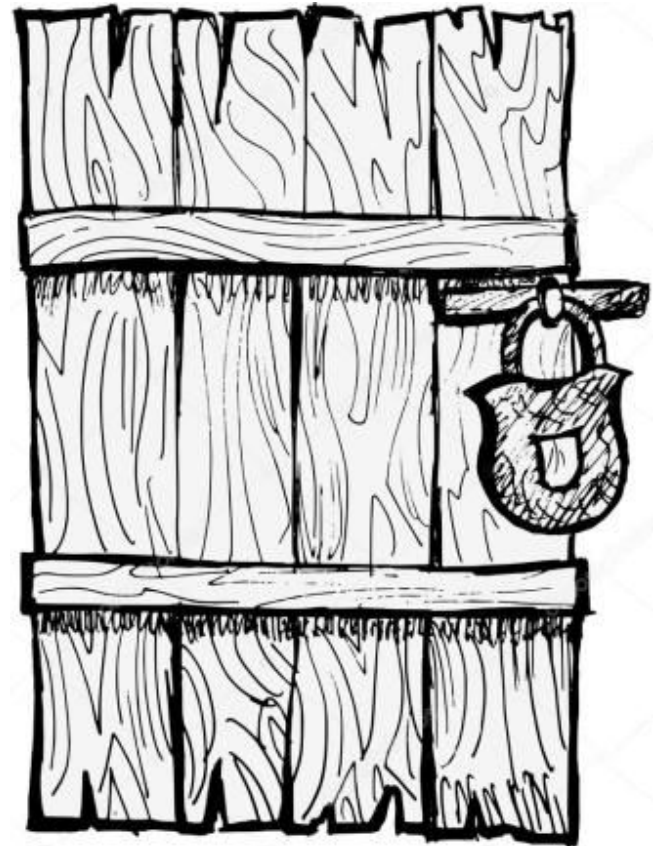

How long does this take to set up?

Answer: Hardly any time at all; just print the Question cards, Level cards and recording sheet, the Google form is already ready to use
