Puzzle sheet

Simple interest

8	6	4

1	2	12	11	3

5	1	6	3	2

7	1	6

1	2	12	11

5	1	2	9	3	2	12	10	2	3

.

The numbers in the grid above match the question numbers. The answer to each question below has a corresponding letter as shown by the 'Key' below. Find the simple interest described in each of the questions and then match your answers to letters in the 'Key'. Fill in the boxes above with the letters that match the questions, to discover a well-known saying.

Questions

1 Find the simple interest earned on $3500 over 3 years at 8.5% p.a. _____
