Question 1

Map of the Central Business District of Melbourne.

Scale 1 : 20 000 (1 cm = 200 m)

Question 1.

7 marks (2, 2, 3)

You are on holidays with a friend in Melbourne and decide to walk around the city of Melbourne. You are located at (A) on Collins Street.

- (a) Describe in words how you would walk to Parliament Gardens on Albert Street.

Head east on collins street. ✓
 Turn left onto Spring Street. ✓

- (b) Using the given scale how far is it to walk to Flinders Street Station opposite St Paul's Cathedral from the corner of Queens Street and Flinders street?

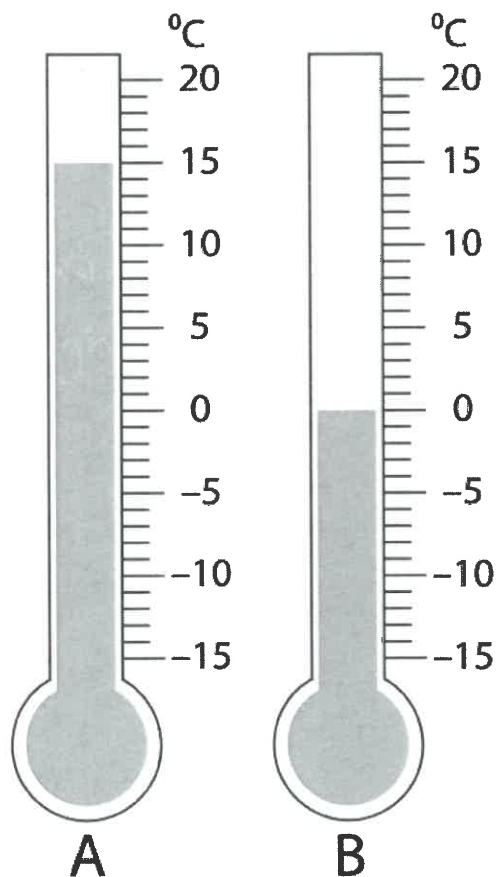

$$4.7 \text{ cm} \times 200 \text{ m} = 940 \text{ m}.$$

- (c) You wish to walk to the Mercure Melbourne Treasury Gardens (B), walking along Collins Street. If you are walking at a speed of 100 metres per minute, how long would it take you to walk the distance?

$$8 \text{ cm} \times 200 = 1600 \text{ m} \checkmark$$
$$1600 \div 100 = 16 \text{ mins.} \checkmark$$

Question 2

5 marks (1, 1, 2, 1)

- a) What is the maximum temperature?

$$15^{\circ}\text{C} \checkmark$$

- b) What is the minimum temperature?

$$0^{\circ}\text{C} \checkmark$$

- c) What is the range of the temperatures?

$$15 - 0 = 15^{\circ} \checkmark$$

- d) What season do you think this would be if these were Perth temperatures?

Winter. ✓

Question 3

10 marks (2, 2, 2, 2, 1, 1)
